**PUTNAM PIKE SOLAR, LLC's  
NOTICE TO WITHDRAW PETITION**

Pursuant to Rule 1.12(C) of the Rhode Island Public Utilities Commission’s (“PUC”) Rules of Practice and Procedure, Putnam Pike Solar, LLC (“Putnam”) hereby submits a Notice of Withdrawal of its petition in this Docket. In support of this notice, Putnam states:

1. On January 29, 2021, Putnam filed with the PUC a petition under section 10 of The Narragansett Electric Company Renewable Energy Growth Program for Non-Residential Customers, RIPUC No. 2152-F (the “Tariff,” approved in PUC Docket 4892). Putnam asked the PUC to allow the Narragansett Electric Company d/b/a National Grid (“Narragansett”) to permit limited extensions on the deadline for Putnam to achieve operation of its solar project at expected availability and capacity due to delays caused by the COVID-19 pandemic.
2. Putnam now seeks to forgo the PUC petition process and withdraw from the 2019 REG program year and re-enroll in a future program year.
3. No hearings have been held or convened in this Docket.

For these reasons, Putnam respectfully provides notice to the PUC and all parties in this proceeding that it is withdrawing its petition in this docket without prejudice.
